

SECURITY POLICY

Coogee Sports & Remedial Massage (CS&RM) uses PayPal as the payment gateway for its gift vouchers. PayPal is a respected and trusted gateway payment system that is a safe and secure means of collecting payments via the internet. All online credit and debit card transactions performed on the PayPal site are secured payments.

What You Need To Know

- PayPal offers a friendly 'Guest Checkout' credit and debit card facility for those without a PayPal account.
- PayPal payments are fully automated with an immediate response.
- Your complete credit or debit card number cannot be viewed by CS&RM or any other third party.
- As a leader in the Australian online payments industry, PayPal encrypts all transaction details before sending them across the internet, so the details of the messages cannot be seen by anyone except PayPal payment servers.
- PayPal use SSL technology to keep your information safe. In addition, when you send a payment using PayPal, CS&RM will not receive sensitive financial information like your credit card or bank account number.
- PayPal is also a leader in risk management, constantly updating their systems to help block external threats. While committed to making things easier for you to transact.
